***The 2021 United Sigma Intelligence Association Award for Education (2021 USIA Award for Education) has been given to Howard Gardner in recognition of having met the highest standards of excellence in his noteworthy achievement as an original investigator in a field of arts and sciences dedicated to providing intellectual inspiration to the world.***

Dr. Howard Gardner accepted the 2021 USIA Award on July 24, 2021. However, due to his personal change of mind, he asked the United Sigma Intelligence Association (USIA) to cancel the award. The USIA respected the winner's opinion and therefore revoked Dr. Howard Gardner's award.

**NOTE: The USIA Awards are granted with the winners' consent.**
