**yhbryankimiq** The founder of Mega Society, Dr. Ronald Hoeflin founded the cryptocurrency coin company IQ Olympiad (Foundation) together with South Korean Jeong Kye-won(정계원) called Andrew Zheng or Andrew Jeong.

They are illegally stealing the intellectual property of YoungHoon Kim and YoungHoon Kim's United Sigma Intelligence Association(USIA). YoungHoon Kim and his organization USIA are not affiliated with IQ Olympiad in any way.

For these reasons and Mega Society's support for sex offender and extreme racism with eugenics, YoungHoon Kim voluntarily resigned from the Mega Society in August 2024.

Warning: A man named Scott Douglas Jacobsen is spreading false information without any prior fact checking on the parties. Scott Jacobsen is a jealous man as a former employee of

Jacobsen is a minor freelance writer and training, so you can ignore

the jealousy, and spreading false information. Please note that Scott Jacobsen is also a progressive atheist activist denying all religions and religious beliefs, and he passionately supports sex offender Aubrey de Grey.
