

High Range IQ Test

Kim's Intelligence Test (KIT-1) is a verbal associations high range IQ test developed by YoungHoon Kim in 2022. Please send your answers to bryan@iqolympiad.org, along with your full name, nationality, age, gender and all prior I.Q. scores. Valid answers are single words, and you can send one answer per question. **Scoring fee is "free" of charge if you join the IQ Olympiad Forum** : <https://forum.iqolympiad.org>. KIT - 1 supports two attempts and raw score will be reported in both of them according to the current norm.

-
1. device, enter, board = _ _ _
