As the current smartest person in the world, Mr. YoungHoon Kim was listed as the world's first in IQ in the World Genius Directory (WGD) with an IQ 202 (SD15). WGD is the world's most cited IQ ranking site.

As he was ranked No. 1 in the world's IQ, YoungHoon Kim was selected as Fellowship of the Directory by the World Genius Directory. With this, Mr. YoungHoon Kim became the first person to be appointed as an honorary fellow since the World Genius Dictionary was established.

With the IQ record of Mr. YoungHoon Kim, the world's first place in IQ was renewed for the first time ever since the World Genius Dictionary was established. Behind YoungHoon Kim, the world's No. 1 IQ, Greek psychiatrist 'Evangelos Katsioulis' is ranked 2nd in the world with an IQ 198.

After graduating from Yonsei University and majoring in psychology and neuroscience at King's College London, Kim is said to be active in various intelligence associations such as Mega Society and United Giga Society.

In addition, Mr. Kim is an advisor to several intellectual associations, including the Korea Memory Sports Association, Hong Kong Memory Sports Association, Tony Buzan Brain Trust, and Lifeboat Foudation.
